

Declaration of Performance

Product Type Brick Reinforcing Mesh

Date of Issue 30th September, 2013.

DoP Number EUR - 008

Type/Batch/Serial Number To be given by manufacturer

Intended Use Expanded galvanised or stainless steel mesh for use primarily as anti-cracking reinforcement in the construction of brick and block work

Manufacturer Eurometals Ltd
Mill Road
Saggart
Co Dublin
Ireland

AVCP System System 3

Technical Specification IS EN 845-3

Initial type testing conducted internally. Factory Production Control conducted by ARC Management Systems in accordance with IS EN 845-3.

Declared Performance

Essential Characteristics	Performance	Harmonised Technical Specification
Tensile Strength	500N/mm ²	EN 10002-1, EN ISO 7500-1 and EN ISO 9513 and ISO 10606
Bond Strength	2.5kN	EN 845-3
Durability	R13	EN 845-3
Dangerous Substances	NPD	EN 845-3

In accordance with the Construction Products Regulations (305/2011), the performance of the product type identified by product type and designation is in conformity with the declared values in the above table and this declaration of performance is issued under the sole responsibility of the manufacturer identified above.

Signed on behalf of the manufacturer:

Mrs Bernie Joy
General Manager
